World Population Day

11-July-2018

Report

Karm. R. S. Wagh Education and Health Sanstha's Arts, Commerce and Science college Rajaramnagar, Tal.Dindori Dist.Nashik was celebrated World Population Day. On this occasion, a lecture on the subject of global population was organized by both the Departments of Economics and Geography. Prof. A. J. Pachorkar (B.K. Kawale Mahavidyalay, Rajaramnagar) was present as the keynote speaker.

Prof. Smt. S.A Patil introduced the program. He gave the world population figures and the distribution of the world's population. He said that 11-July is celebrated as World Population Day.

Prof. A. J. Pachorkar said that population is an important factor in the economic development of any country. When the population is excessive, the depletion of natural resources leads to global imbalances, leading to various global problems. He said population was at the root of global problems such as global warming and air pollution. On the other hand, if the population density is low, then the country is moving in the right direction. The damage to nature is also reduced. Prof. A.J. Pachorkar gave detailed information about birth rate, mortality rate, life expectancy, population change, gender ratio. He said controlling population growth was a challenge facing India

On the occasion of this program, Prof. A. J. Pachorkar resolved the doubts of the students. Answered their questions. The students responded enthusiastically.

On this occasion Principal Dr. R.T. Jadhav, Prof. N.V. Gavali, Prof. A.A. Sonawane, Prof. Smt. R.B. Lokhande, Prof. Smt. S.N. Gore and all the students were present. Organizing Prof. Mrs. S.A. Patil and Prof. P.E. Nawale performed.

Thus the programme successfully conducted.
